

DIAMOND

CHARTER SCHOOL

Dear Diamond Charter School Families,

We hope this message finds you and your family well. We are writing to provide you with an important update regarding Diamond Charter School and our planned opening.

Recently, we were informed that an **Article 78 Petition, filed by Order to Show Cause, seeking a Temporary Restraining Order (TRO)**, has been filed in Albany Supreme Court in connection with the planned opening of Diamond Charter School.

We understand that hearing about legal proceedings may be concerning, and we want to reassure you that our commitment to your children and our school community has not changed. Based on the information available to us, we believe the claims raised in the petition are without merit, and we remain confident in our ability to move forward through the legal process. Our legal team is actively addressing this matter.

Most importantly, our focus continues to be on preparing for an exceptional school year. Every day, our team is working diligently to ensure that Diamond Charter School is ready to provide a safe, nurturing, and academically rigorous learning environment where every child can thrive. From hiring outstanding educators to preparing classrooms and planning engaging learning experiences, our commitment to your children remains our highest priority.

We recognize that many of you have placed your trust in us by choosing Diamond Charter School for your child's education. We are incredibly grateful for your confidence, patience, and encouragement throughout this process. Your support has strengthened our resolve to build the school community our students deserve.

As the legal process moves forward, we will continue to keep our families informed of any significant developments that may affect our opening. In the meantime, we encourage you to continue preparing for the upcoming school year as planned. If you have questions, please do not hesitate to contact our school directly. We are committed to providing accurate and timely information whenever possible.

Thank you for believing in our mission and for being part of the Diamond Charter School family. We are excited about the future and remain dedicated to creating a school where students are
